

NWFCS

NORTHWEST FLOW CYTOMETRY SOCIETY

Join us at UW Orin Smith followed by Happy Hour at Art Marble 21

Please join us for our next seminar and happy hour! We look forward to an educational **Tips and Tricks for conventional and spectral flow workflows**, followed by a walk to Art Marble 21 for drinks and social mingling. The seminar is open to all, and the happy hour will be limited due to space, register early to get your spot!

Speaker: Jayanth Narayanan, Ph.D

Scientist R&D Protein & Cell Analysis Thermo Fisher Scientific

Talk Title: *"Tips and Tricks for conventional and spectral flow cytometry: How to optimize workflows to maximize biological resolution"*

When: **Wednesday June 12th 4:30-5:15 pm**

Seminar:

UW Orin Smith Auditorium

850 Republican St.

Seattle WA 98109

Happy Hour:

When: **Wednesday June 12th 5:30-7:00 pm**
